POLICY STATEMENT

It is the policy of the Idaho Department of Correction to have a program allowing eligible minimum custody inmates the opportunity to reenter the community for a short time to further inmate rehabilitation and reintegration, or for medical diagnosis or treatment.

PURPOSE

This policy gives general direction regarding the department's position on furlough of inmates. Furlough is a supervised, limited leave that is discretionary and a privilege.

SCOPE

This policy applies to all department staff and facilities housing minimum custody inmates.

RESPONSIBILITY

Affected division chiefs are responsible to create standard operating procedure to allow eligible inmates to request and obtain furlough leave.
